December 17, 2025

SUBJECT: City of Neosho Lifts Boil Advisory

Neosho, MO — December 17, 2025 – The City of Neosho has lifted the boil advisory issued on December 16, 2025, following an unexpected drop in water levels and pressure within part of the water system. All water samples taken have tested clear of any contaminants.

The water supply has been confirmed safe for consumption, and normal use may resume immediately. The City of Neosho appreciates residents' patience and cooperation during this advisory period.

For further information or future updates, please visit the City's website or sign up for city alerts at [neoshomo.gov/List.aspx](https://neoshomo.gov/List.aspx).
