MS4 Stormwater Management Plan – Public Review and Comment Opportunity

The City of Neosho invites all residents, businesses, and stakeholders to review and provide comments on our Municipal Separate Storm Sewer System (MS4) Stormwater Management Plan.

The plan will be available for public inspection and feedback beginning February 2nd, 2026. It can be found on the City of Neosho website (<https://neoshomo.gov/209/stormwater-Management>).

The MS4 Stormwater Management Plan outlines the city's strategies for reducing stormwater pollution, maintaining infrastructure, and promoting public education on stormwater issues. Copies of the plan will be accessible at City Hall and on the official city website starting February 2nd, 2026.

There will be a public meeting for discussion held on March 17th from 4 PM to 5 PM at 203 E Main St, Neosho, MO 64850 (City Hall Council Chambers).

Public comments will be accepted through March 17th, 2026. Please direct all feedback, questions, or concerns to Adam Worster at aworster@neoshomo.gov or by calling 417-451-8050. We encourage your involvement in this important community effort.
